Thanks for considering me as your photographer! I know that considering your budget is the least fun part of booking a photographer, but I like to be upfront about what my work costs and exactly what you are receiving in return.

## ALL MY SESSIONS INCLUDE:

- Myself as your photographer. Check out my ABOUT page to learn more about me! I am also available to you via email and phone leading up to your session to answer questions and guide you through the process.
- Fully edited images. I do all my own editing to ensure quality control. I know a lot about editing and I only want my own hands to touch my/your photos.
- A beautiful Pixieset online album for easy downloading and sharing of your images. I love this service for delivering my final product! You can download all of your photos at once and share the entire album or individual photos with your friends and family. It's very user friendly.
- Full image rights! Once the photos are delivered, they are yours to print and share.

To save you money and make sure you're fully satisfied, I prefer custom packages that you can put together to best suit your day! It's easy a simple 3-step process:

1. Start with 8 hours of coverage | \$1,500

2. Add any additional hours | \$200 per hour

3. Anything else you'd like to add?

- additional photographer | \$50 per hour
- 18-20 page Blurb layflat album | \$150
- 2 hour engagement session | \$300 (\$100 discount if added to wedding package)

# FAQs

Can I book you for less than 8 hours for weddings?

- I see myself as a storyteller of weddings, so I want to capture at least 8 hours of a traditional wedding day to best tell that story. If you are eloping or having a much shorter wedding day experience, I would shoot that for \$200 an hour so long as it is less than 6 hours.

My wedding is outside of Chicago. What are your travel fees?

- \$30 + .50 per mile outside the 50 mile radius of Chicago, IL. Hotel accommodations required for 1 night outside the 75 mile radius. 100+ miles is considered a destination wedding, accommodations will be discussed at booking.

Do you sell prints?

- I don't personally sell prints. I can give a few recommendations for you once your photos have been delivered.
