

## Bouquet Package- Full Out (\$250)

Not sure what to say?

How to say it eloquently?

Maybe you're shy or hate the idea of public speaking?

Not positive on how to include all the things in your ceremony that you (or your family) want to have included?

This is the package for you!

If you like, I'll handle the ceremony from beginning to end. I'll write the ceremony, including your vows and anything you'd like included, such as special elements included in your ceremony (sand ceremony, puzzle ceremonies, planting or tree ceremonies, if you can imagine it, we can do it!)

I'll also incorporate other people like step children, in-laws or grandparents that you'd like to have included in the ceremony and include elements such as lassoing, rose gifting, religious readings, a special poem or song lyric...however you'd like it!

Of course, I'll offer any suggestions and you can bounce ideas off me any time you like. We'll work together to make this the wedding of your dreams!

I'll legally perform the ceremony and we'll have it perfect for you, with the maximum or minimum amount of input from you!

## Boutonniere- I'll help you along! (\$175)

You're pretty sure you know what you want, what you want said, and when and how you want it said.

I'll work with you to be as involved or uninvolved as you'd like.

Maybe a brush up here or a little bit of oomph there, but for the most part, you've got this.

I'll legally perform your ceremony, include any additional ceremonies you'd like (like sand ceremonies, wine tasting ceremonies etc.), and, of course include anyone else in the ceremony that you'd like like step children, grandparents, etc.

The Boutonniere Package is similar to the Bouquet, but you are the writer and creator; I'll be here to make it legal, help you along and offer guidance.
