## *2019 WEDDING PACKAGES*

Picture yourself surrounded by your closest friends and family, colorful orchid gardens that bloom all year round and a large Plumeria tree more than eighty years old. In the distance, mirror koi ponds and glowing tiki torches create that romantic glow in the evening. A wrap around terrace for dinner, is one of the main attractions of our venue. A very short walk away will take you to a white sand beach where you can take memorable sunset photos. Hidden from the main road, we have an authentic Hawaiian plantation feel at our venue that would be a perfect fit for your Wedding.

Surrounded by the beautiful Moir orchid & cactus gardens at Kiahuna Plantation Resort, our restaurant features Pacific Rim cuisine, with regional Hawaiian influence. Our fish are caught off the waters of Kauai by local fishermen. Our vegetables and herbs are grown and picked fresh on local farms. All menu items are made from scratch daily from our culinary experts.

Once an historic plantation manor, the restaurant features outdoor terrace seating, Brazilian cherry wood floors, and an authentic Hawaiian plantation feel. A beautiful setting for a Hawaiian destination wedding, Plantation Gardens will leave you with a lasting memory of the warmth and hospitality that is the island of Kauai.

This is Plantation Gardens.

Amy Evans, our on site coordinator, will be able to assist you with all the details of planning your event; including space availability, menus, pricing, site fees, vendors, rentals & much more.
