FIRST OF ALL CONGRATS ON YOUR ENGAGEMENT!!

I apologize now for there is a lot of information in this document but I want to make sure I cover all questions you may possibly have!

I would ABSOLUTELY LOVE to capture your wedding! I want to capture every aspect of your wedding as possible and make it so you can relive your wedding day through your pictures in years to come. I am a professional and licensed photographer and I do bring backup equipment and an assistant as needed. I have over 12 years of photography experience with advanced editing skills to make your big day as perfect as you want it to be and all the memories captured!!!

Please note that I can possibly work with you on budget and we can look at customizing a package just for your wedding, please don't hesitate to contact me!

EXAMPLES OF MY WORK:

HOW MANY HOURS DO I BOOK AND WHAT DO YOU RECOMMEND?

As far as number of hours booked, usually the average is 6-8 hours, but it totally depends on what all you want captured and how many people are in your wedding and family size. I can discuss everything with you if needed to help you find the PERFECT package. As far as arrival and departure times, I usually split them in half (but I can do whatever you would like). (EX: If the wedding is a 3pm and you hire me for 6 hours, I will come in at Noon and leave at 6pm).

TRAVEL FEES:

There could be a travel fee of .50 a mile (round trip) I give 200 miles free plus a hotel/travel fee if over a 3 hour drive. You can message me with your venue name/address and I can give you an estimate IF there is a travel fee. I am located at Greenpond, AL if you need to google.

DEPOSIT/BOOKING INFORMATION:

Please know that I do require a 50% non-refundable retainer fee and a signed contract to book.

However, you can do a 25% soft non-refundable retainer fee and you can make payments on the balance and the rest of the non-refundable retainer fee if needed as long as the balance is paid in full by 15 days before your wedding! Please see your contract for more information when you get it from me.

When you are ready to book, please complete the form on my webpage titled BOOK MY WEDDING!

PACKAGES:

ADDITIONAL PHOTOGRAPHER DAY OF WEDDING:

An additional photographer can be hired for \$200 an hour plus tax. This will include the images they took but edited by me on your wedding USB. I do not include all wedding images taken, I select the best ones and edit those. This number can range from 50-75 images or more per hired hour. Example, if you hire me for 4 hours, you can expect no less than 200 edited photos (even though this number can be much higher!)
