SARA

Hi! i'm Sara, Desert rat/beach bum if thats a thing, My life is made up of Dance, photography and Coffee, lots and lots of coffee all the coffee!

I am a janis joplin lovin, rock and rolling, gypsy woman who loves sandwiches.

I reside in a little beach down in San Diego full of misfits and odd balls. I love it I fit in perfectly.

I am a nature lover and adventurer. I love incorporating the worlds beauty into my work. My Style is romantic, authentic and dreamy. I love creating real moments so put your pinterest board away, we're missing real life shots here! I love having a great time with my clients/friends and the chances of me getting out on the dance floor and shaking my groove thang with your grandma are pretty high.

GIVING BACK

Living only a block from the sea I have developed a huge love and appreciation for our Ocean. Ocean Conservation is something so close to my heart, and I have always wanted to be a part of preserving it.

When you book a wedding through Pink Feather Photography a donation will be made in your name to one of my favorite organizations, 4 ocean. Your donation will help pull 2 pounds of trash out of our seas and beaches.
