Wedding Day Package : \$2,500

This includes*:

- Extremely prompt care and attention to your needs leading up to the wedding day. You will never wait more than a few hours max to get the answer to a question. Most times I will respond immediately. Communication with my clients is one of my hallmarks, I take that relationship very seriously.
- I will attend your wedding rehearsal to determine schedule, camera placement, audio conditions, and general information.
- Drone footage (weather and location permitting) I am a licensed drone pilot and utilize my drone for stunning aerial shots that enhance the overall highlight film.
- Full day of wedding coverage, start to finish beginning early in the morning until late into reception. There are no time limits, I am with you as long as you need me, usually 12-14 hours.
- Hair & makeup, ceremony, reception
- 7-10 minute cinematic highlight film of the day set to music and including audio from the ceremony, personal messages, etc.
- Full ceremony film start to finish, as it happened with original music, readings, vows, etc.
- Full Reception speeches
- Full Reception first dances
- Delivery of final film via USB or digital download within 2 months of your wedding day.

* Depending on the location of your wedding venue, additional costs may be incurred due to travel related expenses.

In order to book my services, I request 1/3 of the total package (\$833) as a deposit to hold your date, another 1/3 due 6 months prior to your wedding and the remaining balance due at the rehearsal.
