ABOUT US

We have been professional photographers for over 15 years. We work very well together as a team gaining years of experience shooting all types of events and venues. We understand what it takes to capture stunning images in any location.

We were both born and raised in northwest Ohio. Before starting our family Bonnie attended the University of Toledo, and Jason completed his military service in the United States Navy, and works full time as a Production Supervisor. We have 3 children and are also very active with their activities.

We use both Nikon and Canon equipment. Post processing images utilizing Adobe Lightroom and Photoshop.

Amazing Quality Images

Book your next engagement session, bridal session, wedding or special event with us! To make it as simple as possible, all packages include ALL high resolution digital files from your session or event for you to print yourself and for sharing with friends and family. If you would like us to print for you, we offer wonderful print prices and only use a professional print company to process all of our products and orders. We post-process our photographs to enhance color, lighting and to ensure that you look flawless!

CUSTOMER TESTIMONIALS

"Bonnie & Jason you guys are amazing, excellent people to work with. Thank you for doing our wedding, we love the pictures so far and can't wait to see the finish touches. Excellent Excellent Excellent Photographer's!!"

Eric & Holly, Galion, Ohio

"I'm very happy with the photographs taken of my kids by Flood's Photography. I was not familiar with the location they suggested, but I could not have chosen a better place for fall photographs. My two teens were kind of dreading having their pictures taken, but mentioned they had fun when they were done. Anyone who sees the photographs raves about how great they turned out"
