www.calderphoto.com

Hi! Thank you so much for considering me as your wedding or elopement photographer. I believe that there is nothing more important than your wedding photos and finding the right person to capture them will be one of the most important investments of your wedding.

Things to consider when looking through my prices:

I work hard to get the best photos to you so you fall in love with each one. I believe in the real moments, the raw emotion, and most of all, having a fun time!

Because of this, I hope you know that I will go and do whatever it takes to get the perfect photo. Be prepared to go to the places that most won't go. Be ready to hike or walk that extra mile.

I am going to be more than just your photographer. I am your planner, drink fetcher, dance partner, inappropriate commentator, dad joke maker, and mostly I will be your friend.

Are you ready to get down and dirty? Check out my prices and see what best fits your needs.
