Kind Words

“My husband and I chose Liv as our wedding photographer because we loved the natural and unfiltered, yet classy and elegant feel of her work. I knew from the very beginning of wedding planning that good, quality photography was high up on my list of priorities and we struck gold with Liv.” - Ashley B.

“Liv was so incredible; every step of the way reassuring and kind. She is bubbly and professional at all times. So accommodating! Also she knew how important one particular photo was to me and the very next day after my wedding it was edited to view!” - Megan C.
