

## Weddings

Your wedding day, what a very special day! There is so much to do and think about, that at times can be quite an overwhelming experience. Dandelion Lane Weddings and Events would like to help, and never let you forget to RELAX and ENJOY the whole experience. We are a full service Wedding and Event Company. Whether you are looking for a classic, vintage, modern or simply elegant style for your wedding, we are devoted to making your vision become a reality. And if you don't know your vision yet, that's OK, we'd love to help you find it.

We can do a little or as much as you need done. We can simply be a consultant or assist with every smallest detail. We will begin with a free consultation. We'll determine your needs and help develop a plan of action that compliments every detail of your overall vision, along with a budget which is maximized to its fullest potential. We can help with coordination, decorations, menu planning, invitation selection and ordering, flowers, music, entertainment, catering, cakes, centerpieces and can assist with set-up and tear down...Anything to make your wedding the event of your dreams! We understand that this is your day and we want it to reflect YOUR vision. Your wedding weekend will be fun, memorable, full of love and special touches...and most of all, stress free!

## **Full Service Wedding Planning & Design**

This package is designed for the couple who wants to enjoy the planning process but wants to place the details in the hands of a professional wedding planner they can trust. It's for the couple that is excited about their wedding day, but wants very little to do with the detailed execution. This package allows the couple to take this time and enjoy the engagement and to celebrate with family and friends. From day one, we will guide you through the planning process, giving you the peace of mind that your dream day will become a reality. Every detail will be taken care of, from the day you book, until the day you drive away with your new spouse. You do not have to worry about a thing!

This package starts at \$2600 and includes:

- Consultation and continuous communication
- Detailed month by month timeline
- Create a custom budget & budget tracking plus contract reviews
- Venue referrals
- Vendor selection
- Create a design and concept for wedding
- Attend vendor meetings with bride when requested
- Confirm all vendors the week of wedding
