

## Estimated Pricing for Budget Planning Purposes

***Important Note:*** Actual pricing will depend on style/quantity/type of stems/*availability* in each bouquet and is provided in your Wedding Floral Plan/Proposal. (\$150 applied to your final floral cost) ***We don't ask for any other money until you're ready to move forward with your Design Plan.*** We special order only top quality product for your wedding and can select from a variety of cost saving blooms to provide your preferred specifications and one-of-a-kind designs. Blooms are carefully processed, conditioned, and held at the optimum temperature until we're ready to design. Designs are created with a hidden water source to ensure your floral is well hydrated throughout your event and presents beautifully in your photography. We want you to enjoy your floral in pictures for years to come and so *we pay careful attention to every detail ... it is what we do best!*
