## TESTIMONIALS

*“The list goes on-and-on why this photography couple gets a five star! I would give a six if possible. From the very beginning they have great communication. They listen to everything you want (even the goofy stuff) and they make sure to be equipped to handle every task. They are beyond professional and respectful of the significance of your big day.”*

*“Where do I start with these guys? Great doesn't seem to cut it, amazing and fantastic come close. Words to describe them: Friendly, flexible, and talented. If you are looking for someone who enjoys what they do, provides an amazing experience, and feels like your best friends are taking your photos then you have to go with Steve and Marilyn!”*
