

Wedding packages - Photography

We are happy that you are considering our services for your event! we deliver only the best memories through expert photography and video. With more than 9 years experience not only in Wedding events, but Marketing and Advertising for magazines, print and all kinds of media as well.

We are experts in storytelling, in order to create unique and unforgettable memories of your celebration. As you may have seen, we possess an artistic background, which allows us to break the mold and to create nontraditional, exciting stories. Which not many photographers have the ability to do. We stay away from boring, point - and - shoot images that do not convey emotion. Our job is to create an amazing tale of your wedding through our vision.

We will work with you as we walk through the process of delivering excellent care to your needs. We are also great on customizing fair packages that you might want to budget. Every bride has a different idea of how things are run and we understand that! so here are the base packages to start. There are always questions, so don't be afraid to ask, it is an honor to be invited to the most important day of people's' lives and we are delighted to be a part of it!
