A LITTLE BIT ABOUT OUR STUDIO

Wedding photography is both a craft and an art. Goodhart Photography takes both aspects seriously.

On your wedding day, we'll strive to be everywhere without being felt, to see everything without being seen, to capture the epic memories of your love story as well as the small moments in-between -- and to do it all professionally, beautifully, and creatively. We want to provide you with images you and your family will treasure for generations to come

WHAT TO EXPECT

If you are considering hiring Goodhart Photography, we'll schedule a meeting based around your schedule over the next few days. You can visit us at our studio or we can meet at your location.

This meeting is to answer your questions and to determine whether our personalities are a good fit! It's so important to mesh with your photographer and have great chemistry!

Once we have you on our calendar for your wedding, we'll begin planning your engagement session and/or bridal session dates, if you've decided to add those on to your contract.

These before-the-big-day sessions are the perfect way to document your journey. The bridal sessions can take place in the studio or on location -- perhaps after you've had a makeup trial?

Engagement sessions usually take place on location, usually a location that means something to the bride and

groom. The engagement session is a great way to get to know each other a little better before the wedding, and it's typically lots of fun.

On your wedding day, my assistant and I will arrive and begin walking through the venue – taking detail shots where we can and getting set up in the reception area. We'll photograph your wedding exactly as it unfolds, from the joyful getting ready moments, to the ceremony and family portraits. We'll use a combination of photojournalism, and casually posed classic portraiture to get a variety of images for you to enjoy.

In 4-8 weeks when your images are ready, we'll upload a gallery for you to share with friends and family, and mail you a usb key with your images. If you've ordered an album, we'll be in touch to finalize the design.

That's it! Our mission is to provide you with incredible images and create a seamless and professional process for the bride and groom.

FREQUENTLY ASKED QUESTIONS

How long does it take to get our images?

Online galleries and digital files are ready within 4-8 weeks of the wedding date or final payment, whichever is later. Upon final approval of album designs most albums are ready for delivery within 6 weeks.

How many images will we get?

The number of photographs taken depends on many things – the number of guests, hours of coverage, types of events. For every hour of photography, we deliver at least 75 images, but usually much more.

Do you come to the rehearsal?

Rehearsal dinner coverage is available if you'd like to add it to your collection, otherwise we do not attend the rehearsals.

Can you hold the date for me?

We are happy to hold a date for you with a retainer and a signed contract.

Do you refund retainers on cancellations?

No. The retainer fee is non-refundable. The retainer guarantees that we will hold the date exclusively for you and once you've signed the contract we do turn down all other commissions for that date.

We're ready to book, what's next?

Great! When ever you're ready, we require a signed contract and a retainer fee of \$500 One half of the remaining balance is due 2 months before the wedding, and the final payment is due 1 month before your wedding.
