

PRICE GUIDE 2023-2024

- I'm always going to be straightforward about price with you and spell it out in writing so there's no confusion.
- I consider Hawaii home so there will not be any travel fees when booking in anywhere in the state.
- My packages are designed with you in mind, but it's impossible to cover everyone's needs in 3 options.
- This is meant to be a brief overview of my prices.
- Every couple who books with me will receive their own customized price quote.
- If you have any questions about anything please ask.
