LONESOME VALLEY
CASHIERS, NORTH CAROLINA

Lonesome Valley is located in the picturesque mountain town of Cashiers, NC. The event venue is located at the front of the 800 acre property in the Jennings Barn, home of award-winning restaurant Canyon Kitchen.

For weddings, there is a \$7,500 site fee which gives access to the Barn all day and the use of some in-house equipment (for approximately 120 guests) as well an outdoor site for the ceremony complete with mountain backdrop.

In addition to the site fee, our food and beverage minimum is \$200 per person which typically provides a cocktail reception with hors d'oeuvres, premium alcoholic bar and dinner. Our Executive Chef, Adam Hayes, will customize a menu for you and your guests. There is an additional 22% service charge and 6.75% tax on food and beverage.

We require that a professional event planner be the main point of contact for all weddings. You must use Canyon Kitchen for food and beverage with the exception of the wedding cake.

The size of your party and layout of your function will determine whether a tent or rental equipment will be needed.

We accommodate a select number of weddings, events or rehearsal dinners each year of up to 250 guests per event.
