## A PREMIER BOUTIQUE STYLE DJ COMPANY & EVENT DESIGN FIRM

### PRICE QUOTE

#### Quite often we are asked, How Much Do You Charge?

Our Prices start at **\$28,000**... Just kidding. But, did we get your attention? : )

The answer to that is pretty simple. What are the options you would like to have at your wedding or event? There are a lot of variables that will determine your **investment** with our entertainment firm. We like to use the word **investment** because we believe you are truly investing your money to guarantee the ultimate success of your party. Like anything else we do we take the boutique style approach to event design. What does that mean to you?

Well it means we will plan every detail of your affair with you including: music selection (Do's & Dont's), formalities, announcements, guest requests, level of interaction, guidelines and much more. We will also build a custom party package with any and all options you select. At TLC Entertainment we feel no two clients are ever the same, therefore no two parties are ever the same. The options for your event are limitless, if you can dream it up, we can bring it to life. And remember, if you book your wedding with our firm

**“Your wedding, will be our only wedding that day”**

#### What is the best way I can receive a price quote?

Our event firm prides itself in giving each couple a personalized experience, that experience will start by calling us at 516.414.0914 and setting an intimate face to face meeting in our studio.

Once here we will figure out what are your “must haves” and what are your “nice to have” options for your special day. We also use this initial meeting to show our unique wedding guide and planning process which took over 25 years to perfect. This first meeting is also a great way to get to know one another better and gauge if we are a good fit for each other.

To give you a rough estimate, our wedding entertainment pricing including our DJ/MC 1 Man show, premier sound system and 4 hours of non-stop music respectfully starts at \$1,495.00 and goes up from there depending on what kind of package we put together for you.

The average couple spends between \$2,500.00/\$3,500.00 on their dream wedding DJ entertainment package with us.
