Jen Schmidt is an award-winning photographer and a Lake Tahoe local of more than 20 years. With a style as creative as it is perceptive, Jen captures the details, emotion and moments of your day with the eye of a journalist and the soul of an artist.

During the winter Jen is a blur of snow and ski; during the summer you can find her dangling her toes off a sailboat, playing with her dog on the beach or backpacking Desolation Wilderness with friends and family.

Always on the go, Jen enjoys traveling and has photographed weddings in destination locations including Seattle, San Francisco, Montana, Martha's Vineyard and even Mexico. She is available for international travel and would love to capture your day no matter where in the world it is.

All travel fees will be quoted on a case-by-case basis for individual inquiries.
