

About Brideheads

Brideheads was started in 2008 by Angela Schulz. When she got married, she noticed that there were not any options available for a bride to have her hair and makeup come to them on their wedding day. She also noticed that this seemed to be the trend, as it is a more convenient, and a much more fun way to spend your morning. Brideheads is now in their ninth year of service and continues growth and success each year.

The Founder/Boss-Lady

Angela Knackert-Schulz has been a professional hairstylist for over 18 years. Angie has worked for several salons around the Madison area as well as a five year stretch at prestigious salons in Scottsdale, Arizona. She has always made the commitment to further her knowledge and education by learning the newest styles through classes and attendance at various hair shows.

In September of 2011, she opened Rockabetty's Salon & Spa in Madison in addition to running Brideheads.

Angela strives to provide her clients with the best possible care, utilizing her exceptional talents with an added touch of her unique humor and charm.

"Angie is so calming and goofy. She (and Danni) not only made me and my ladies looking AMAZING, but during the whole process was helping keep everyone on the more sand side of things. :) We opted for the airbrush make-up which, surprisingly enough, did last throughout the day in the outside June heat! The prices are also fair but not crazy expensive like some 'boutique' salons. These ladies are real women with some awesome skills!"

"My wedding hair and makeup was even more lovely than I ever imagined! I felt confident and beautiful one my wedding day!"

"I love the ladies at Brideheads. I found them through my sister as she used them for her wedding and I knew I wanted to use them as well. I love their convenience of coming to you on your wedding day so you don't have to drive around town all morning getting ready. I love how they are laid back and easy to joke around with. I would recommend these ladies for any wedding because of how good they are and the convenience on your wedding day! Thank you so much for your service"

"I recommend Brideheads to future brides looking for hair and makeup stylists. I planned my Wisconsin wedding from another state and found Brideheads when conducting internet searches for hair and makeup stylists. The quality of the hair and makeup services was excellent. Both my hair and makeup (airbrushed) were done beautifully and lasted through to the evening. I appreciated that Brideheads is a mobile service and came to the hotel my bridesmaids and I were staying at. Another bonus is that they do Sunday weddings! Brideheads provides more than just high quality hair and makeup. They are also 'an experience' in and of themselves. I say this because the ladies who make up Brideheads are refreshingly frank and entertaining. If you have a diverse group of bridesmaids, like I did, they really help to get the group talking and laughing. If you are the type of person who is scared off by tattoos and brightly colored hair, you shouldn't be. They provide the hair and makeup service that you request and don't impose their personal style on you."

Frequently Asked Questions about Brideheads

The following are the most commonly asked questions. Let us know if you have more questions.

Q: If you already have a wedding booked, can you accommodate mine?

A: Yes, it is not uncommon for us to have 4 or 5 scheduled. There are several hairstylists and makeup artists that work for Brideheads.

Q: Is there a mileage fee? And if so, what is the mileage fee?

A: Yes. There is a mileage fee. It is 75 cents per mile. It is for one way only, and anyplace outside of Madison. We will be coming from this address if you would like to calculate the mileage. The address is: 1216 S. Park St., Madison, WI 53715.

Q: Do you have a maximum requirement of people in a wedding party?

A: No! Our record amount of people in a wedding party is 13 people in 2.5 hours.

Q: What are your prices?

A: Please see services page: Services If you do not see something, please ask!

Q: Where are trials done? Is there a charge?

A: Trials are done at Rockabetty's Salon, 1216 S. Park St., Madison, WI 53715. If you want hair and make-up we will arrange for a trial to do both. The charge is the same as your wedding day minus the mileage expense. To see pricelist please click: Services If there is a service you do not see, please ask!

Q: How can I book my trial?

A: All stylists and make-up artists have full time jobs other than Brideheads, so we need to coordinate all schedules, and this can take some time. The best way is to submit the days/times you would like on our homepage. Upcoming dates take priority over dates three months or more in the future.

Q: What type of products do you use?

A: The make-up we use is a mineral line (mainly Ophra and YoungBlood) that is great on even the most sensitive of skin types. It will last you all day and night! The hair products we use are Paul Mitchell Freeze and Shine, and various Kenra products. This generally should ensure all day and night wear.

Q: How long per person or how much time should we allow?

A: We allow forty minutes per person, but we are very fast and usually finish early. If you want to know what kind of timing to expect, figure out when you want to be done, allowing for dressing, and we'll work backwards from there.

*Moms and Grandmothers with short hair are typically \$60; unless there is enough length for half/part up or updo. Flower girl with an adult amount of hair will be charged the adult price. We work with dry hair only to be more time efficient. Blow-outs done on damp hair must be specifically requested and pre-arranged as we do not normally bring blow-out tools.

*Groupon and LivingSocial discounts cannot be applied to brides and wedding party services. Ask for a quote for any other services not listed. Wedding parties must include at minimum a 15% gratuity in your final bill.

Prices subject to change.
