STAFFING

Our outside event-staffing rate is \$25 per crewmember, per hour, +20% of the food and beverage cost. We will set and charge for a minimum number of hours, including travel time to and from the event, set-up, and cleanup.

The amount of staffing required is based on many factors including the length of the event, the staff's expected duties, bar setup, room flipping, and more. We will provide a preliminary estimate based on these factors, and will submit a final quote once we have all the details and have performed a walk-through of the event space.

TASTINGS

We will schedule a food tasting for menu selection once you have paid your initial deposit to book the event.

Tastings are by appointment only, Monday - Thursday.

If you would like to schedule a tasting before placing your initial deposit, we will charge a \$60 tasting fee for two guests, a \$120 tasting fee for up to 4 guests, and an additional \$30 per person for additional guests, maximum of seven total. If you book with us, this charge will be applied toward your event invoice.

We suggest selecting 4 appetizers, 8 entrees, and 4 desserts to taste.

CATERING SUPPLIES

Chafers and service ware are available at no charge if we supply staffing. The equipment we use is very basic; if you require a different style you will need to rent them from a party supply service. Dinnerware and glassware are not included and will need to be rented.

If you choose to use disposable items, we can arrange to purchase them for you and the cost will be included in our quote.

Our preferred rental company is Premiere Events:<http://premiereeventsonline.com/>

Please note that any deposit received is non-transferable and non-refundable should you cancel or change dates.
