

Plan your wedding with the Snowy Owl Inn & Resort

The Snowy Owl Inn is one of New England's finest country inns. Set in the heart of Waterville Valley and the White Mountain National Forest, our all-season 82-room Inn offers a relaxing vacation and a great family getaway. We are the perfect destination for your wedding ceremony. We'll be happy to tailor a package for your event including use of our conference rooms, catering and lodging.

Our spacious lobby atrium, with its natural wood and three-story fieldstone fireplace highlight the award winning architecture of the building. In addition, we have smaller lobbies located throughout the Inn, each with fireplaces for lingering with friends, reading a good book, or playing games with your family.

After a busy day of activities, retire to your tastefully decorated room, many with wet bars and Jacuzzis. All rooms feature air conditioning, wi-fi, cable TV and private baths. Choose a room with two double beds, a family room with a bunk loft for kids, or a deluxe bedroom with a sitting area. Snowy also has five rooms with complete kitchens, as well as rooms for the physically challenged. Remember, children 12 and under stay free in parent's rooms!

In addition to sharing in the Valley activities, we would also like to cook for you! Chef George is on site to cook anything from pizza parties to elegant plated dinners. Let us add a food package in with your stay. Looking for something easier? Join us on weekends for hot breakfast in the dining room or pick up a boxed lunch before heading out for the day.

There's plenty to do in Waterville Valley and the Snowy Owl Inn is the center for everything. Winter means - Downhill and cross-country skiing, snowboarding, and indoor ice skating. Summer means - Golf at the Waterville Valley Golf Club, hiking the 60 miles of marked trails, mountain biking, boating on Corcoran's pond or take a ride up Snow's Mountain chairlift. At Town Square, just next door, you'll find wonderful shops and lots of activities to keep you as busy as you want to be.

Enjoy a range of adventures as wide as our valley. Perhaps you would rather explore our scenic back roads past lakes and villages and through mountain passes. You could also just relax by our indoor pool or enjoy some time in the sauna. Whatever your pleasure, you are going to love The Snowy Owl Inn and our piece of paradise.

Ceremony & Reception

Ceremony and Reception Sites

There are many options for your ceremony.

For comfort, we do not recommend any weddings larger than 75 people and ask that there be a minimum of 15 people. You can have your ceremony in our beautiful lobby and be married under the moose! Some couples want to keep it even simpler and marry in front of the fireplace in the dining room and then start the reception right there.

If you are a risk taker, we can setup with a trellis outside and have the scenery be your backdrop. Beautiful in the fall.

See the layout below for each room and capacity

Ceremony and Reception Sites

Main Lobby - \$900 - Our beautiful main lobby will be all yours during the ceremony. Montgomery Moose will have his top hat and is happy to overlook your nuptials.

Glass Parlor - \$600 - Intimate and rustic, this room is perfect for a smaller event. With the Elbow Room bar adjacent to the Parlor, weddings or receptions of 35 or less fit nicely and with the windows overlooking the back lawn and brook, it is exactly what you are looking for!

Dining Room - \$750 - With our white lights and wood beams, the dining room makes a perfect ceremony or reception site. Full bar and stone fireplace complete the picture. With the windows overlooking the back lawn and brook you are relaxed and can enjoy a memorable day.

Courtyard - \$1000 - The outdoor courtyard is newly done and ready for your family. Outside and secluded, it is the best of both worlds. Perfect for your ceremony or reception! For weddings of 40 or less, you can have both the ceremony and reception in the courtyard. If you are concerned about the weather, the main lobby and dining room are available as a rain date option for your ceremony. We understand mother nature does not always cooperate and if you are looking for a little insurance we can have your indoor space ready for you to keep your day perfect. The dining room cost is \$750 with a \$500 non-refundable deposit or our main lobby is \$900 with a \$500 non-refundable deposit. 72 hours prior to your event we will confirm this setup.

In addition to the Snowy Owl's wedding sites, there are other options in the beautiful Waterville Valley. We will be more than happy to assist you in seeing and booking the public areas of the Valley.

Site fees include set up, take down and reasonable trash disposal. Receptions include table setup with white linen and candle centerpieces.

You will be able to decorate before the ceremony, but we do ask to not disturb the decorations already in place.

Pricing is based on bookings a minimum of 60 days prior to event.
