

## WEDDING PRICING

Since every wedding is different we do not offer set packages but quote each wedding on an individual basis thus ensuring your day is just as you envisioned and not a cookie cutter copy of someone else's wedding. Every wedding quote is customized to fit your personality, style, budget and color/theme.

A lot of different factors play into determining the cost of your wedding flowers so pricing can vary quite a bit depending on flower choices, season, style, bouquet and centerpiece size, etc.

Below you will find our average cost for most of your wedding flowers. Remember, this is just an average and the cost of your flowers can't be determined until we have a consultation and go over all the details.
