HEY  
I'm  
Kate

For as long as I can remember I have always loved to create. I love to work with my hands. I love colors. I love the process of making something beautiful + telling a story with my work. I love people, above all of that. I live in Franklin, Tennessee and have transitioned out of full-time ministry in a church to launch Winsome as a creative service to engage my community! That's the heart behind why I do what I do: that I might "win-some."

If you know me, you know I am passionate, goofy, outgoing + care about YOU. I almost always have coffee with me. I'm married to the best guy I know. I want to know you + come alongside you for wedding, photo session, event, conference + help your vision come to life.
