Venue Information

Your wedding day is the most important day of your life, so we here at Bayonet and Black Horse Golf Course want to make it perfect for you and the special people you choose to share it with.

Menus

Our banquet menu offers a wide variety of choices so you can customize a menu to fit your individual needs. The food and beverage director will work with you every step of the way to insure your satisfaction when that special day arrives.

Menu Tasting

We do offer private tastings of menu items on request as long as you have already booked with us. We recommend doing this a couple months prior to your wedding.

Venue and Setup

There is a \$1,500 venue rental charge for all private events. This charge consists of all table and chair set-up, white table linens, china, glassware and silverware. Colored linens may be rented if desired. We do supply a dance floor for a fee of \$250. Both of these fees include set-up and break down. The participants are not required to clean up anything.

Decorations and Flowers

Any flowers or decorations desired by the couple are their personal responsibility. Please bring any decorations you can the day before your wedding. You want to get as much of your décor ready to bring out into the reception room area as possible since you will only have 2 hours to set everything up. **3:00 is the earliest time that you will be able to decorate the reception area.**

Ceremony

A ceremony fee of \$250 is required if you choose to have your ceremony here. We do supply a white wooden arch for you, if you would like to supply your own arch that is all right as well. The ceremony can either take place on the grass adjacent to the club house or on our patio. Both locations have a full view of the ocean and hole 18 of Bayonet.

Insurance

Is not required, but you are responsible for any damage done to the property by your guests.

Floor Plan and Occupancy

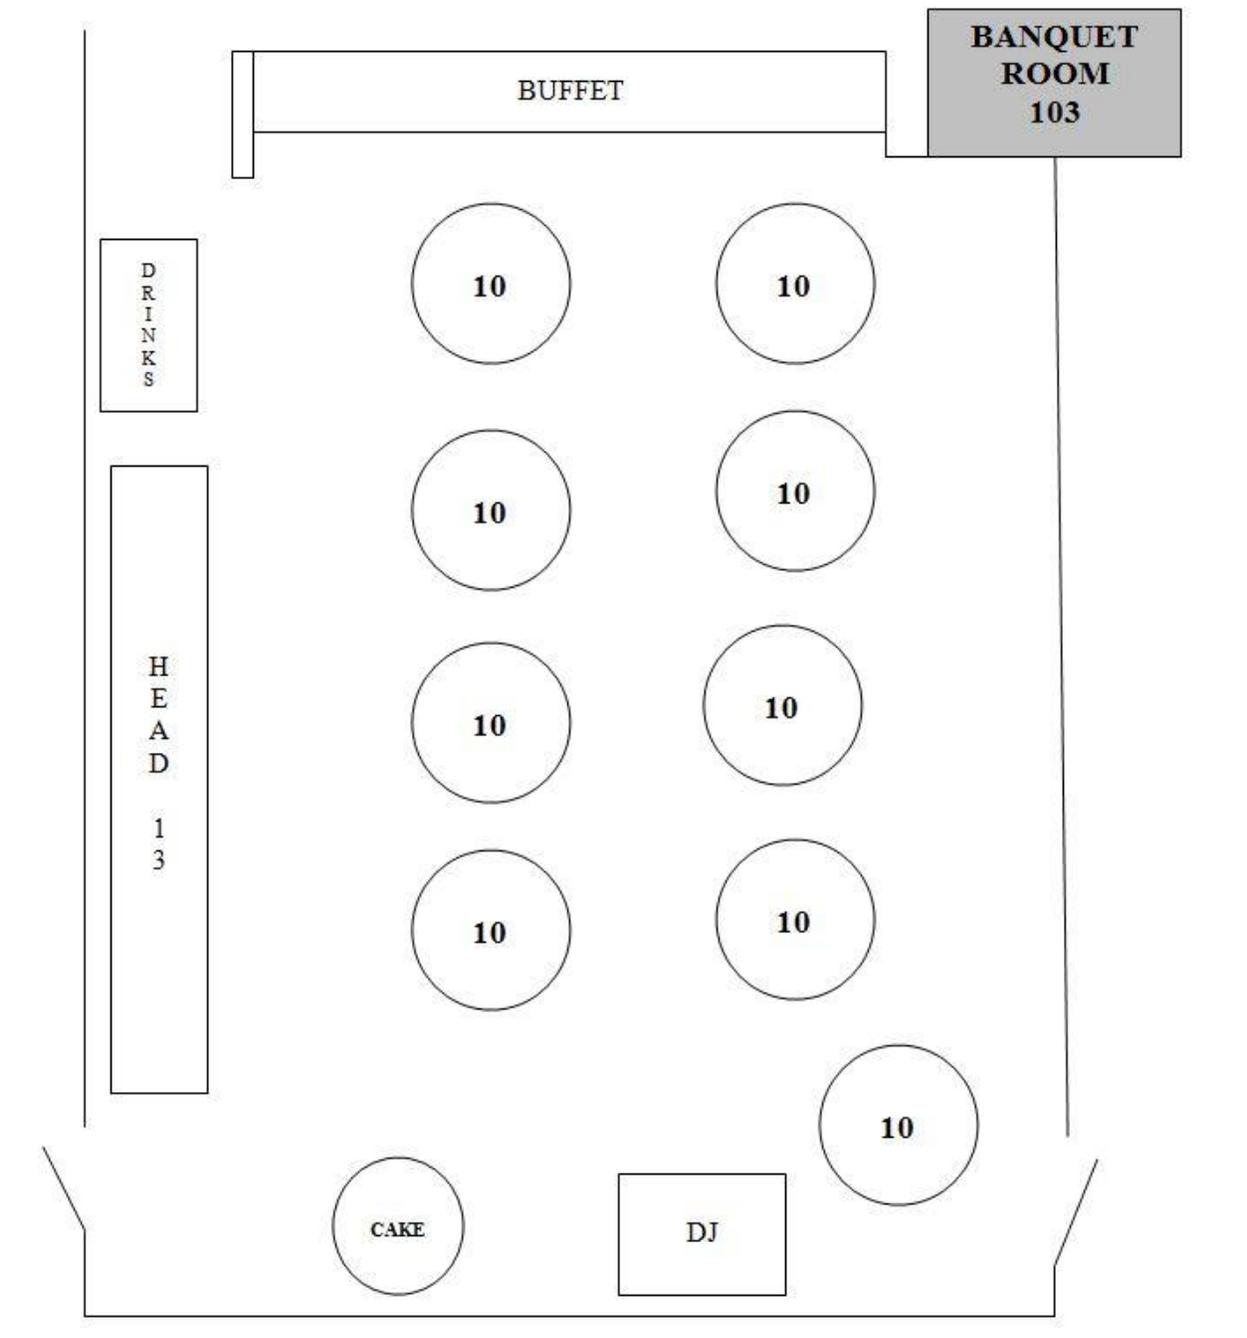

Bayonet and Black Horse features two separate event rooms. The main dining room which can hold up to 200 people and the banquet room that holds up to 120 people. Our main dining room is comprised of scenic bay windows with a breathtaking view of the entire bay. The room opens up to our glass enclosed patio with heat lamps to keep you cozy as you watch the sunset. The banquet room has a more intimate feel with a private setting. This room includes a majestic view of the 18th hole of the world renowned Bayonet Golf Course.
