### Traditional vs. Elopement

With 2020 changing everyone's way of living a lot of couples have been debating whether to go ahead with their traditional plans or change it up and have a micro wedding or elopement. I'm happy to say I'm here for it all! I am one of those brides that changed my 120 person wedding to a 15 person wedding. I find beauty in both visions so if you're on the fence, let's talk about it and we'll find something that fits you both the best!
