

smart brides love spark photo

2015

“A great photograph is one that fully expresses what one feels, in the deepest sense, about what is being photographed”

-Ansel Adams

Everybody deserves great photography

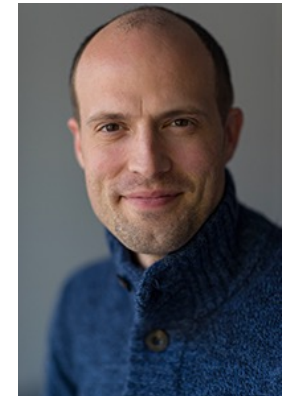

Here's the problem: you're looking for great photography for your wedding but every photographer you fall in love with is stupid expensive.

Or you find a sweet, super nice photographer but you worry about their inexperience

Wouldn't it be great to find a young, up and coming photographer that takes great photos *and* is super easy to get along with *and* at a reasonable price?

That's why I created spark photo. We've put together a fantastic team of young, smart, uber talented photographers, supported by world class post production that's always kept in house, for consistently perfect final collections for each and every wedding.

Along with the most flexible and easy to buy packages you'll ever see, Spark Photo is your no headache, no worry, great wedding photography solution.

- Aaron Bornfleth Creative Director and Manager, Spark Photo

office manager and post production

Irini Muda is an incredible post production talent. Her perfectionism drives her ability to render an image to the highest standards each and every time. Trained in Graphic Art, her prowess at multitasking keep her indispensable at Aaron Bornfleth Studio.

Focused on tasks in the studio and in post production, her full time presence allows us to deliver a finished collection in about two weeks, often less.
