

OUR FEES

We make it all about you!

You'd like to know what our fees are, and we would love to tell you. Since every person and event goal is different, it's hard to throw out a number. We'd look at a number of variables, such as location(s), size, duration, design and other key elements you'd need for your event.

We do commit to a select number of events per month, so we can dedicate our time, resources and focus on YOU.
