### How to price/plan for your wedding video coverage?

- *How many hours of video coverage desired on wedding day?*
  - Look at your day schedule. Want to cover prep time, 1st look, photo sessions? Or just basic ceremony/reception activities? Common fav coverage is 6/8hrs...
  - How about later reception, do you have special exit plans, later fun activities, sparklers, photos, special dances?
  - Location logistics? – prep, ceremony, reception – any travel, party bus ...?
- *How many videographers would you like (Two recommended)?*
  - 1 shooter, *basic coverage* with multiple HDcams
  - 2 shooters really spices-up shooting/editing! ... and, *guys/gals prep-time*, mobility, spontaneity, better coverage, engaging editing, 4K UHD cams!
  - Add more shooters for longer days, complex schedules, specialty Extras (split schedules / days, drone aerials, tea ceremonies, 360°VR ...)
- *\* Any "Extras" for the day?*
  - [Aerial/drone/360](#), [Timelapse clips](#), [Cinematic Touches](#), [4K](#)
  - Extended Highlights vids, *Raw Footage / Archiving*
  - Split Schedules, Extra Events...
  - Destination Weddings – Travel requirements/support/touristing?
