How to price/plan for your wedding video coverage?

*How many **hours** of video coverage desired on wedding day?*

Look at your day schedule.

- Want to cover prep time, 1st look, photo sessions?
- Just basic ceremony / reception activities? Common fav coverage is 6/8hrs...
- Later reception, special exit plans, later fun activities, sparklers, photos...
- Location logistics – prep, ceremony, reception – any travel, party bus ...?

*How many **videographers** would you like (Two recommended with 8hrs+)?*

- 1 shooter, *basic coverage* with multiple 4kUHD cams
- 2 shooters really spices-up shooting / editing! ... and, *guys/gals prep-time*, mobility, spontaneity, better coverage, engaging editing, 4K UHD cams! Rec for longer days, complex schedules (split schedules / days, drone aerials, tea ceremonies, 360°VR ...

*Any “**Extras**” for the day?*

- *Aerial/drone : 360° : Timelapse, Cinematic Touches, 4K/6K*
- *Extended Highlights vids, Raw Footage / Archiving*
- *Split Schedules, Extra Events...*
- *Destination Weddings – Travel requirements / support / touring?*
