

Thank you for your interest in **Warehouse 18** for your Event.

Our 160 year old warehouse is on the new Hickory City Walk in the heart of downtown, within walking distance of local breweries, shopping and eateries. The industrial charm of the vintage brick and wooden beams are offset by the elegance of the crystal chandeliers and furniture. The venue features 2 five thousand square foot rooms where you can host both your wedding ceremony and reception, or choose just one space for a fantastic reception or party.

Next door is the beautiful 2<sup>nd</sup> Street Inn that will be available to rent beginning Spring 2022. Also, Our New Deck is a fantastic addition, and adds over 1200 square feet.

Historically we were the original storage facility for the railroad companies, and for incoming supplies to our local businesses. Goods and supplies from our local textile companies were then shipped to our building before being sent all over the country.

### **WEDDING VENUE FEE RATES for 2022**
