

# Mayfly Flowers Pricing Guide

After your free consultation, Amy will develop a personalized flower plan for your review. Your flower plan will provide a detailed description of the flower arrangements for your wedding, as well as all the charges associated with your order. If there are specific flowers you want used in your arrangements, Amy will price the order accordingly. If you do not have a flower preference, simply provide the colors and style that you like, as well as a budget guideline, and Amy will create a design plan based on those specifications.

## You pay only the actual wholesale cost of flowers!

As a former budget bride, Amy has a special fondness for the DIY couple on a budget. That's why she does not mark up the price of flowers! Your total cost is the actual wholesale costs of your wedding flowers plus a labor fee that covers Amy's time and design expertise. Your Flower Plan Order Confirmation will identify the vendor(s) used, so you can verify all charges.

## Included in your fee:

- Phone or In-Person consultation to determine your needs, style, and budget
- Development of your flower plan
- Design and storage supplies
- Order placement, tracking and follow-up as needed
- Flower preparation, cleaning, care, and storage
- Flower arrangement
- Wedding Day delivery and set-up

## There are no last minute or hidden charges!

At the time you book Amy's services, 75% of your total charges will be due as a down payment. The majority of your deposit directly pays for the cost of your flower order, since Amy orders your flowers immediately to lock in pricing. The remaining balance is to be paid in full no later than 30 days prior to your wedding. If a flower listed on your flower plan becomes unavailable, Amy will either attempt to locate it through other sources or will substitute with another variety in a similar style, price, and color.

Changes to your flower plan must be made no later than 30 days prior to your wedding. Please note that changes to your finalized flower plan cannot be accommodated within 30 days of your event! In the case of a cancellation prior to 30 days before your event Amy will refund 50% of the down payment. No refunds will be issued for cancellations occurring within 30 days of your scheduled event or after services have been rendered.

## What will it cost?

Your total cost is determined by the current wholesale price for the amount of flowers selected for your arrangements and Amy's labor fee for the number and type of arrangements you need. Amy has discovered over the years that she is able to save her clients more money by NOT having traditional 'fixed-price' packages, and instead customizing the flower order for each client in order to take advantage of bulk pricing and seasonal discounts.

### Sample Labor Fees:

\*labor varies based on the intricacy of the design and supplies required:

- Bridal Bouquets \$15- \$45
- Bridesmaid Bouquets \$10- \$25
- Toss Bouquets \$10
- Pomanders \$10- \$20
- Hair Wreaths \$10- \$20
- Boutonnieres \$2- \$5
- Corsages \$5-\$8
- Centerpieces \$3-\$25

As a very general guideline, weddings where Amy is just providing "people flowers" (bouquets, corsages, boutonnieres) price out in the \$500 range (and very often they cost significantly less than that!). Adding in centerpieces, ceremony decor, and other arrangements will see a corresponding increase in total cost.

Spending a little bit of time together in the beginning of the process to talk through the floral vision for your wedding can pay off with savings in the long run!
