# Married in Music City

Whether you're planning an intimate destination wedding or hometown nuptials, Nashville is one of the easiest, friendliest, most guest-ready cities in the country for weddings and celebrations. Within a day's drive for half the country, it's a destination brimming with local restaurants, award-winning hotels, and loads of Southern hospitality.

Music is the backdrop for every memory made here. From country and bluegrass to rock n' roll and jazz, Nashville's official language is song; it's no wonder our most iconic venues are also our most sought-after spaces for weddings and events. After all, what's more Nashville than getting married onstage?

Our family of iconic entertainment venues offers one-of-a-kind rental spaces and unlimited opportunities to combine, customize, and create an unforgettable wedding day in and around some of music history's most revered spaces.

We'd be honored to help you create a wedding or personal event that's unmistakably you and distinctively Nashville!

## CEREMONY ONLY: 50 GUESTS

Say "I do" in an intimate ceremony on the historic Ryman stage, then meet up with your guests for a reception at one of Opry Events' other historic properties.

(Ceremony can be scheduled no earlier than 6 weeks before the event date)

## FULL AUDITORIUM RENTALS

Booking the entire Ryman Auditorium for a big, joyful wedding sounds like the stuff Music City dreams are made of. While scheduling and cost put significant limits on availability for most of our venue rental inquiries, we do host some of Nashville's most exclusive weddings once in a blue moon.
