Options & Activities: Any event that can be had on land is enhanced aboard the *Liberté*. Our versatility is legendary, from casual parties to formal weddings. We offer an exceptional catering menu with a wide range of selections, or you can bring your own food. Swimming is acceptable with a minimum six-hour cruise. (Note: a waiver must be signed and signer photographed prior to activity.) We've had every kind of party imaginable, from bachelor and bachelorette parties to weddings, from corporate outings to family reunions. Every charter is private and personalized for your special event.

Booking Procedure: *We are happy to show the Liberté!* Call for availability. When you charter the *Liberté*, you pick the day and time, the theme, the music, the food, and of course, the guests! Please note: We do not sell rain insurance. In the case of bad weather (the captain decides with you if the passengers will be in danger or discomfort), **you** can choose to either reschedule or all charges for the vessel and the bar are refunded.

Passenger Guidelines: Guests are advised to arrive ½ hour prior to departure. No BYOB - our liquor license doesn't permit guests to bring their own alcohol - we have a full bar onboard. Smoking is allowed on deck only. High heels and balloons are discouraged. Please advise us if the group will arrive by bus or if there will be more than 10 children under 90 lbs. We can accommodate wheel chairs on deck only. (Contact us directly so all needs can be met.)
