## Phil Fox Photography

Hi! I'm Phil Fox. I'm a husband, dad, outdoorsy guy, wannabe sailor, guitar strummer, dog lover and I would love to be your wedding photographer!

I truly believe I have the best career in the world and most of the time it doesn't even feel like work! I have been a professional photographer since 2003, but have loved it for as long as I can remember. I would be honored to have the opportunity to capture the little moments and big thrills of your day!

I shoot in a mix of styles with a down to earth approach. I strive to create natural, authentic images that capture the essence of who you are. A majority of images are in the documentary style and will also incorporate classic portraits, lifestyle images as well as details, panoramas and candid.

I strive for my images to be a unique blend of art and photojournalism, be modern but timeless, and above all look natural. I approach each wedding in search of simplicity, elegance and style. Expressions, emotions and spontaneity are what I draw from to create real and artistic images.

My goal is to provide a unique, well rounded group of images to tell the story of your day with an emphasis on quality and customer service. I have an accommodating style and strive to fulfill any requests, making sure everyone is comfortable and happy.

Keeping an open mind and going with the flow are the principles on which I base my work. A wedding day is a celebration, so let's have some fun taking photos!

I photograph up to 30 weddings per year and I look forward to working with you!

## ENGAGEMENT SESSION

---

\$500 / 2 hours photography / online gallery / image download

---

### YOUR SESSION

If you don't normally like being photographed, an engagement shoot is a great way to discover that being the subject can be great fun! Treat it as a test drive. I also really like getting to know you more before your wedding, and you also get an idea of how it will feel having me as your photographer on the day.

We'll use this time to express your personality as a couple. I'll give you some light direction but mostly I'll capture your interactions while we're walking, light posing and letting things unfold naturally. Mostly fun, spontaneous and light!

Your engagement session will be about 1-2 hours, whatever we need to get some amazing images.

### LOCATION IDEAS

Your engagement session can be as simple as a walk through the park or capturing grand landscapes at the beach. A downtown urban backdrop is always fun with alleyways and street shooting or the dramatic city skyline. How about the place where you first met or where he proposed. From a coffee shop to a sprawling field, the options are limitless. Once again, lets have fun with it!

### WHAT TO WEAR

Wear something that makes you feel confident and comfortable. You can combine bold colors, patterned fabric with some casual accessories. Feel free to explore and get creative with your wardrobe!

This is, in my opinion, the most important investment of your wedding and tells the story of your day. It's a tangible heirloom, that can be enjoyed for years to come. Custom designed to your specifications, includes initial layout & 2 design changes. Duplicate albums discounted 20%.

# kind words

Phil had by far the best total value. And upon our phone, email and in person conversations, he was super kind, thorough and flexible to work with. Between our requirements and his recommendations, Phil made things simple and easy for us. And on the day of the Wedding, Phil and his team were calm and professional through all the insanity. ~**Gina & Jim**

Our photos are beautiful and Phil could not have been better to work with. He researched the area to help us figure out what photo locations would be best and captured the most amazing shots. My family couldn't stop talking about how wonderful Phil was. ~**Aly & Eric**

His calm and confident manner will put you at ease and make the entire experience fun and the final product will take your breath away. My wife and I cannot say enough about how wonderful it was to work with Phil. We would recommend him to anyone and everyone. Beyond his skill and pleasant manner, he's also incredibly affordable and will give you the most for the least. ~**Stacie & Greg**

I had an amazing experience with Phil from start to finish. He was always very professional and on top of his game. All of my photographs came out gorgeous, I would highly recommend Phil Fox Photography for anyone's wedding day. I have absolutely nothing negative to say about my experience with him and the product he gave us. You are definitely getting more than your money's worth with him. ~**Caitlin & Mike**

Phil was fantastic. I would gladly use him again or recommend to family and friends. He was a total Pro throughout the entire process and made everything effortless. ~**Kara & Neil**

Phil is Unbelievable! I cannot say  
enough about him and his work!  
We got every photo we wanted and  
so much more. He made the pro-  
cess so easy and was very kind and  
easy going. We received so many  
compliments already and will be  
recommending to others. Thank  
you Phil!!!
