Congratulations on your engagement!

Enclosed you will find package and pricing information for the 2017 and 2018 wedding seasons. Take a look at our packages. Use them as a guide to plan your perfect wedding package. Need help maximizing your coverage? Tell us about your day and we will help you with your timeline. We are experts in time management. It's like having a day of wedding planner for free. Let our experienced team take the stress away so you can enjoy your celebration as husband and wife.

We are aware that each couple is unique, therefore we want to make sure that we offer you a photography service that caters to your individual needs. And, yes, each package includes an online viewing gallery and your high resolution images with full printing permission.

No matter what your price point is, you will receive creative, timeless, stunning images that represent you as a couple. Our focus is on you.

It's time to smile, celebrate, click, and repeat with the team at shades shutters photography
