Premium Wedding Entertainment Package

This package includes an expert level disc jockey entertainer, a high-tech sound system with a custom 42" floating touch screen control system, digital music, digital microphones and digital mixer. The music maestro will artfully select and mix songs throughout your event, interact with the crowd as desired and defined by you, organize upcoming activities, and deliver lively hype to boost the energy and participation of the audience.

What's included:

Expert-level DJ with nearly 30 years of experience

Five hours of music and entertainment

Written 200% Money Back Guarantee

Full sound system (appropriate for up to ~200 guests) including two wireless handheld microphones and complete backup sound system on-site

Master of Ceremonies includes itinerary coordination behind-the-scenes and all announcements

Comprehensive entertainment planning collaboration via meetings, email, phone and mail, including floorplan, preferred music styles, interactive dances/activities, suggested traditional activities and corresponding details, advance song requests, names for introductions

Optional crowd interactivity - choreographed dance instruction

Rates: **Saturday:** \$1,195 for the first 5 hours; **Sunday thru Friday:** \$995 for the first 5 hours

\$50 per additional half hour

What's not included, but available: Decorative and moving lighting, décor and special effects, sheer or sequin curtain, lasers, entryway video pillars topped with four search lights, 2nd room and/or ceremony sound system, video/photo projection system, projected monogram, interactive light up dance floor, dancing-on-the-clouds effect, gobo projectors, giant LOVE letters, much more

Grand Wedding Entertainment Package

In addition to the features of the Premium Wedding Entertainment Package, this service level includes:

- A highly personalized experience that is custom-tailored to you, your wedding party and guests. Interviews are conducted with the bridal party and parents and intricate details are incorporated throughout your day to provide that once-in-a-lifetime flair and fun that will truly make your reception the best!
- Elaborate entertainment planning with personalized grand entrance script and choreography, flash mob or unique dance mix, itinerary script production and advance coordination with other vendors
- Book of 200+ creative ideas to help you personalize your wedding day entertainment
