HELLO!

INTRODUCTION

Hi, I'm Jason and I'm an outdoor enthusiast that also happens to wield a camera.

I am a South Carolina born, Atlanta based wedding and lifestyle photographer.

I have an identical twin brother. My twin brother is my best friend. I am very close with my family and have 4 little nephews, they are my world. I actually owe them a lot of credit for getting so into photography. I started taking photos of my oldest nephew as soon as he was born. Photographing little babies and toddlers taught me that not every photo is gonna be perfect because they will not pose for you and they never quit moving. Photography is my favorite way to tell a story. That cliché saying that a picture is worth a thousand words is wrong. It's worth 10,000 words!

Anyway I am so happy that you are reading this and are interested in working with me.

I can't wait to get to know each other in person!

02

MY APPROACH TO TELLING YOUR STORY

My very first camera was a 35mm film camera and I only shot black and white. Shooting on film taught me to shoot with intent. I don't just blast photos without some idea of what it is I'm trying to capture. I treat my digital camera as if my shot amount is limited. I love to make my clients feel comfortable when working with me. I am AWKWARD when having my photo taken so I know how it feels to be uncomfortable, when being photographed. Often, I try to get my clients out of their shells by making them do silly activities. For the moment I try to make them forget that their photo is even being taken. I may show up to your shoot with a pinata and encourage you to swing at it as hard as you can or pop the cork on a champagne bottle and make a toast. I give you an action to get a reaction and to me, those are the most genuine and best photos. My style is a bit more moody with a film aesthetic. I love natural light so unless it's a special condition, I will always shoot that way.

MEAGAN & WELLS / SOUTH CAROLINA

Meagan and Wells's wedding took place near my hometown in Greenville, SC. These two were a delight to work with and had some of the best dance moves I have ever seen!

TO ME, BEING A GREAT PHOTOGRAPHER DOESN'T START AND END WITH ME. I ENJOY GETTING TO KNOW WHO I'M PHOTOGRAPHING AND CREATING A RELATIONSHIP BECAUSE WHEN I START TO FULLY UNDERSTAND THE NUANCES, QUIRKS, AND QUALITIES THAT MAKE YOUR LOVE UNIQUE, IT ALLOWS ME TO TRANSLATE THAT INTO MEANINGFUL PHOTOGRAPHS, NOT JUST PRETTY PICTURES.

Who are you? That's what I ask myself when I look through my camera lens, into your life. What can I show you that you haven't seen? What can I give you that you will look on with happy tears in your eyes in forty years?

Here's my commitment to you. I will go really hard for you. I will give you my perspective. I will give you tangible mementos of your loves that will last a lifetime that you can refer back to for many many years long after your wedding.

Trust me with your story. I won't let you down.

“Hands down the best photographer out there. Jason photographed our wedding and engagement pictures and was so amazing. He captured our sentimental moments, but also every single laugh we shared together, which is a ton. He’s so great and fun to work with, super easy going and helpful. We hope he’ll deal with our shenanigans for many years to come!”

FAQ's

Q: Is the reservation fee/deposit refundable?

A: My deposit (50% of total) which is due upon booking your date, is refundable up to 60 days before the actual wedding date.

Q: How do you accept payment?

A: I accept paypal, venmo, cash or check.

Q: What do we do if it's raining on our wedding day or engagement session?

A: Often overcast skies and even rain make for a very good session. Very nice soft light is perfect for photos and if you are willing to get wet we could have alot of fun and get some pretty epic shots. As for the wedding day. We will just make the most of it and work with what we have.

Q: How many images can we expect from our engagement or wedding?

A: I typically deliver around 50 images for an engagement session. I deliver around 700-1000 photos for the actual wedding.

Q: Do you post everything you shoot online?

A: No I don't post everything I shoot. I usually only feature a few of my favorites. I think I have the right to post whatever I shoot, but I do always

ask the client first before sharing.

Q: Do we need a second shooter?

A: You don't NEED a second shooter but I highly recommend it, just so we get thorough coverage. Often some details get overlooked when working by myself. My second shooter can help me capture everthing from arrangements to your goofy uncle doing the bernie at your reception.

Q: Do your prices include tax?

A: My prices are usually a flat rate, just to make it easier on all of us.

Q: Does it cost to have you travel to our wedding? How much?

A: Depending on where you get married. I don't charge for travel if your wedding is around Atlanta. If I have to fly or drive to more than 50 miles from home, I will charge for travel.

Q: What do you shoot with and are you insured?

A: I shoot with Nikon Cameras and use several light modifiers and flashes. I am insured.

Q: How do we pick photo locations?

A: If you have somewhere in mind we can discuss it and if you don't have a clue on where to shoot, I can do my own research and find us something suitable for your style.

Q: Can we order prints of your images or does that cost extra?

A: You may order prints from me through the online gallery I send you for an additional cost, just the cost of materials with a small mark up that benefits my business. Most of what you get from me is digital unless you opt in for my Deluxe Package, which comes with a 12x12 book.

Q: Can I have unedited versions of the photos or the RAWs?

A: I do not give out RAW files. But I do give High res files that you may use in anyway.

Q: Can we bring our dog? Can we bring props?

A: I love dogs. I encourage you to bring whatever props you want!

Q: How long until we get to see our photos?

A: Depending on how booked up I am, I typically like to deliver engagements and portraits with in 3 weeks. As for full weddings, you can expect to get your photos within 2 months.

Q: Does the photographer retain the copyright to the images? Does that mean we can't share them?

A: I do own the copyright to all of my images but I do allow you to share them as long as you give

me credit and link to my accounts.

Q: Can you shoot JUST our engagement session if you're not available for our wedding?

A: Absolutely, I'd love to shoot anything that you'd like me to.

SOUNDS GOOD TO US, HOW DO WE BOOK?

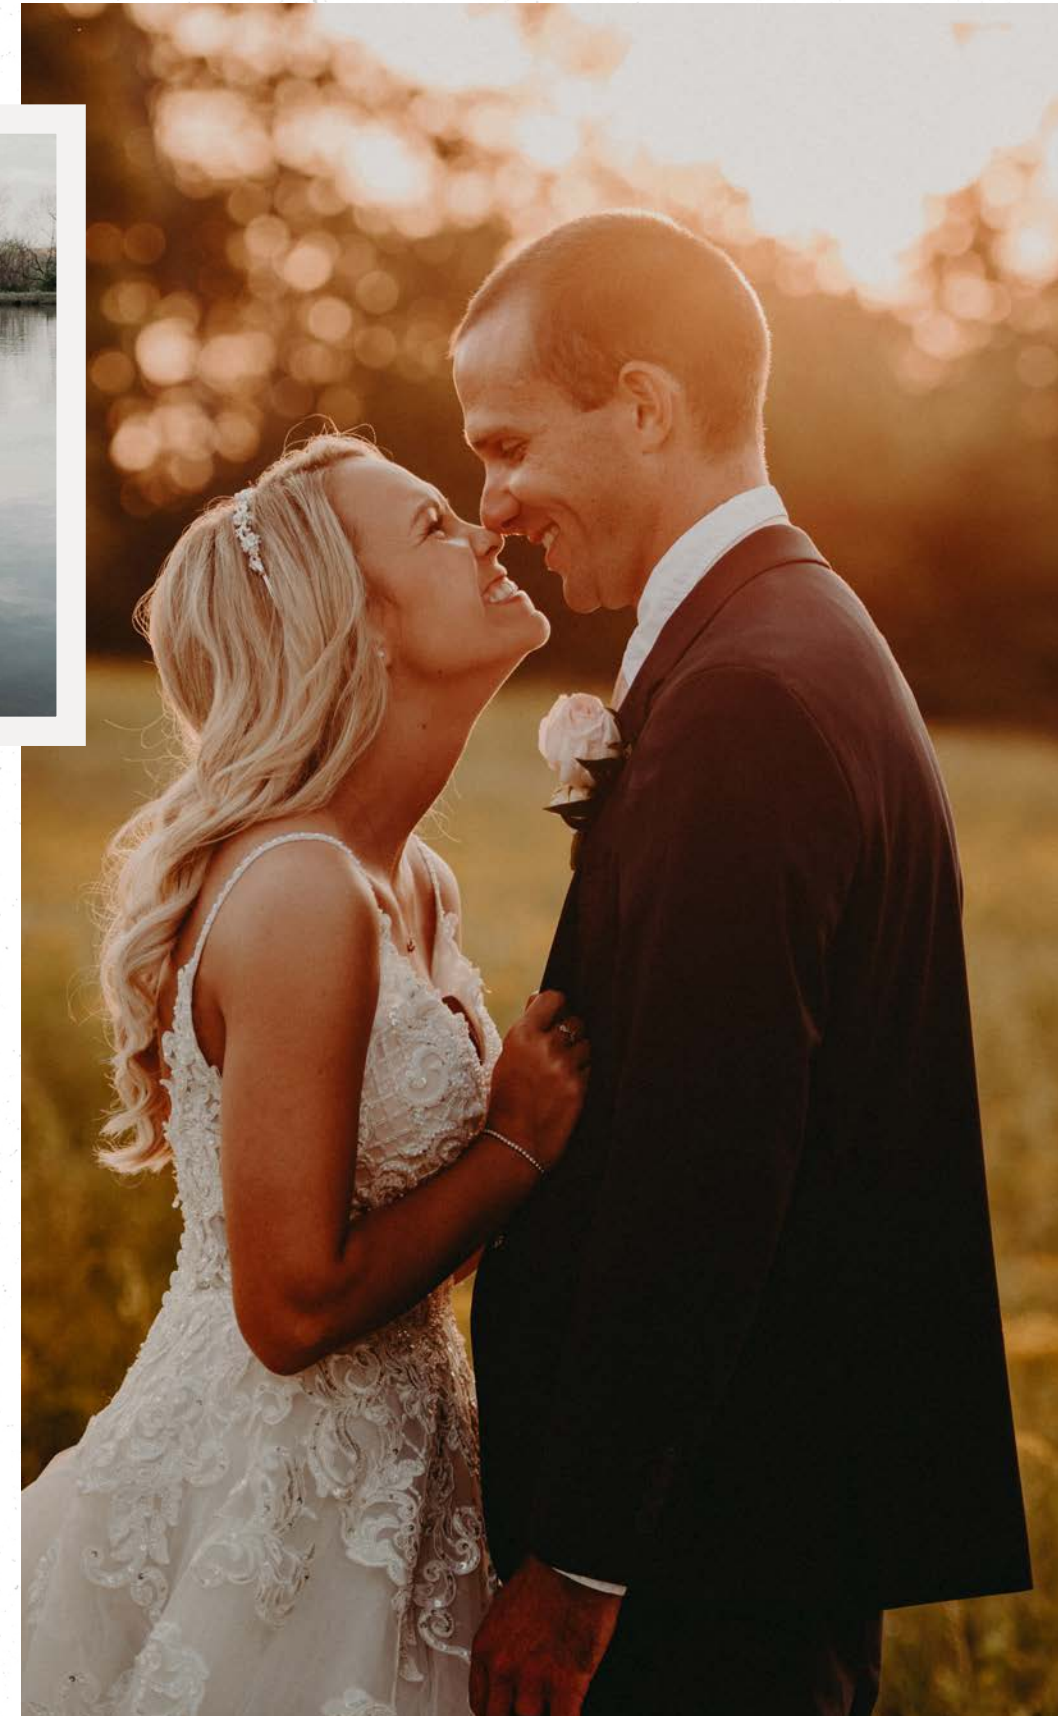

To book with me , you can first, send me an email telling me your date. I like to do most things via email and by phone, I would however like to meet with my clients before the big day. If you are a local client I'd love to get a coffee and talk more in person, just that we both get a good sense of what it is we expect of one another. If you are far away from me, we will discuss through email and phone calls.

HOW TO BOOK

JUSTIN & STEFANI / GEORGIA

I had the honor of photographing my twin brother and his wife's engagement photos. Still one of the funnest shoots to date! Also, I fell in the water while trying to take this canoe shot!

THANK YOU

YOU ROCK.

Thank you, kindly, for your inquiry. Honestly, you could have emailed ANYONE you wanted, but something about my work hopefully struck a cord with you, and that's huge. I really hope we get to work together!
