

## **Package Options**

All of our packages include a personalized touch, beginning with a meeting to review the couple questionnaire and for us to get to know you and your preferences. We provide readings to review, or we can make suggestions. Our ceremonies are fully customizable and reflect your unique love story. We take care of filing the marriage certificate, allowing you to focus on enjoying your honeymoon without any additional stress. Our goal is to provide a seamless and memorable experience for you and your loved ones.

### **Dreamy \$350**

A short and sweet ceremony without sacrificing personalization. This package includes a brief introduction, storytelling, a reading of your choice read by the Officiant, exchanging vows and rings, and the start of the celebration. Quality remains uncompromised, but you'll get to the party quicker!

### **Romantic \$400**

This option is for the true romantic. For couples who want a more in-depth ceremony. This package includes a unity ceremony and multiple readings can be included with designated readers (a great way to include friends and family in the ceremony). The invocation will dive deeply into your love story and how you arrived at this moment. This option provides a more comprehensive and meaningful experience for you and your guests.

### **Glamorous \$450**

YES! This package is going to give you everything you can want in a ceremony. We can add, subtract, multiply, and divide this package to ensure that you and your guests will remember your ceremony for years to come.
