ADD-ON SERVICES

CUSTOM ARRANGEMENTS: \$75 for the first arrangement, \$50 for each additional arrangement. The fee may be smaller if an arrangement is commercially available.

AMPLIFICATION: For very large, outdoor, or noisy events, we offer high-quality amplification for any of our ensembles. Power is required at the performance site. \$75 per event.

TRAVEL

The first 20 miles of travel from downtown Houston are included with your package. We reimburse our musicians when they travel more than 20 miles to perform; this allows us to hire the same excellent performers, regardless of the venue.

If your venue is more than 20 miles from downtown Houston, the travel fee is 65 cents per musician per mile on the portion of the distance that exceeds 20 miles. This fee is calculated for the round trip. For example: A string quartet travels to a venue 45 miles from downtown, or 25 "extra" travel miles. The travel fee will be $0.65 \times 50 \text{ miles} \times 4 \text{ musicians} = \130 .
