

WE OFFER THE FOLLOWING

On-Site Attendant

Every photo booth rental comes with an on-site attendant to help ensure that your guests maximize the photo booth experience. Our professional and courteous photo booth attendant will ensure the booth is operational the entire rental period. They are also there to assist your guests in using the booth and will explain to your guests how to log on to your new private web gallery and view and order photos for months to come.

On-Site Prints

Seconds after your guests finish at the mirror, our printer begins printing the 2x6 photos from their photo booth session automatically! It takes about 30 seconds for the print to be fully printed, dried, and ready to share, but the next group of guests can already be using the mirror getting their pictures taken. We use the highest quality printers on the market so rest assured, your guests will be blown away by the on-site print quality!

Private Web Gallery

We can provide all our clients with a private online gallery exclusively for You and your guests can download and view and order reprints of all the photos including the individual files.
