*We have lots of different packages for you to choose from.
We can also create custom packages for you. Whatever it is that
you need or want when it comes to your photography and videography.*

The Tender Collection:** The simplest of the collections. 7 hours of your big day.. All the detail shots, all of the getting ready shots, the ceremony, the posed photography and the reception. We get it all the day of. You will get a custom USB Flash Drive with up to 300 digital images and a print release so that you can print the photos anywhere and anytime you want. **\$1000

The Adore Collection:** This is for the ones who need a little more than just the 7 hours. You get an engagement session or a bridal session for an hour with 20 digital images in an online gallery. You will also get 7 hours of your big day, a custom USB flash drive with up to 300 digital images and a print release. **\$1250

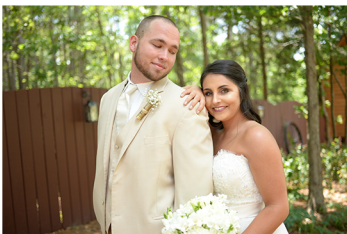

*We have lots of different packages for you to choose from.
We can also create custom packages for you. Whatever it is that
you need or want when it comes to your photography and videography.*
