Engage in conversation with ideas in how your wedding ceremony could happen and leave feeling fully informed on how I can help you. This service is free and I look forward to meeting you. I now offer Video Chat wherefrom the convenience of your home or office we could become better acquainted with one another.

Full Wedding Service - \$650

Full Wedding Service - When I work with my couples – I totally personalize my ceremonies just for you. I do work from a template that has just about all of the traditional wedding components in which we can omit, edit and include readings, vows, candle/sand ceremony, ring and pronouncement. Although we would work from a template, all the wording is tailored to your desire. When we finalize the ceremony it will be completely outlined and choreography from guest seating/arrival to receiving line - including your music selections which I would distribute to your wedding planner and all others involved in the ceremony (ie. Photography, video, DJ/music source). I have had great success with wedding planners and vendors who receive this document to ensure that we are all on the same page to ensure a smooth running ceremony. I also include in my service all communications, unlimited editing/revising of the ceremony, and writing material just for you. In addition, on the day of your wedding I typically arrive about an hour before your set time to marry so I can check in with you and your fiancé, ensure the ceremony site is set up the way you wanted it, meet your wedding party and involved vendors to again ensure we are in full communication and on the same page. If you feel you need a separate wedding rehearsal – please add in the Rehearsal Service from the Services menu and choose your date. Please also add in \$30 travel time if you are over 1 hr away from Zipcode 01590.

Standard Wedding Service - \$250 for 2019 Weddings - starting in 2020 Standard Wedding Service will be increased to \$350

The Standard Officiating Service is the same as the Full Officiating Service except without the choreography of the wedding service. Simple Wedding Service - \$150

The Simple Officiating Service is intended for those who wish to have a very short, simple ceremony without readings or any choreography in the wedding service. On the day of your wedding, I typically arrive about 30 minutes before your set time to marry so I can check in with you and your fiancé and the entire ceremony may last for about 10 minutes. This service is only for those clients' wedding services that are in touching towns of Sutton or are within 30 miles of Sutton. I do make exceptions, so please discuss with me as would not like anyone to be without a service.

If you are in need of wedding invitations, save the dates and such, I do sell them should you need them and I would be happy to help you select to ensure we have the message you want, coloration and the various components picked out. If you feel you need a separate wedding rehearsal – please add in the Rehearsal Service from the Services menu and choose your date. At My Home Wedding/Elopement Service - \$75

I offer my home to couples who wish a very simply prepared ceremony. Couples may have two other guests to accompany them during the ceremony should they wish. You have the option of marrying inside of our lovely log home, or we can marry outside on our property among our flower gardens and tree-lined stone walls.

Wedding Rehearsal - \$100

For those weddings in which a couple would feel more comfortable about having a wedding rehearsal of their ceremony I offer to either completely run the entire rehearsal in which we would run at least three times - once as originally planned, second with any changes and third to ensure that all changes are implemented and every person involved with the wedding ceremony is comfortable with their role. Or, I would follow directions from your wedding planner/coordinator to ensure a smooth-running ceremony. At the wedding rehearsal, it would be a good time to pay the balance due as well as receive the wedding license leaving the wedding day with one less detail to take care of.

Renewal Of Vows - \$250

A vow renewal ceremony is a special way to declare your continuing commitment to your spouse before family and friends. The ceremony can occur at any time after your original wedding. Couples who eloped or had a "destination" wedding may choose to renew their vows shortly after the original wedding at a gathering for the family and friends who were unable to attend the wedding. Others may choose to renew their vows on a special anniversary, such as the 10th, 15th, or 25th. Some couples choose to publicly recommit themselves to one another after going through a difficult period in their lives. Since the couple is already married, there are differences between a vow renewal ceremony and a wedding.

Baby Naming Service - \$250

If you are like a growing number of parents, you would like to celebrate the birth of your child but have decided against a christening or church service. Alternatives such as a Secular Baby Naming Ceremony or simple "Baby Naming Day" are becoming increasingly popular.

A secular naming ceremony, also known as a "Baby Welcoming Ceremony" or a "Child Dedication Ceremony" is a non-religious celebration of the birth of your child.
