Pre-Designed and Ala Carte Options (9/2019)

With Reflections Creative Photography we offer you the options of several pre-designed packages or be completely Ala Carte and create your own unique package that is perfect for your wants and need.

Option 1 - (Silver) - Full Day Coverage, starting approximately 90 minutes prior to your Wedding Ceremony until nights end. If doing a 1st look, we will design a reverse timeline that will allow you ample time and images prior to your Ceremony. All options include webhosting for 60 days, two Facebook Sneak Peeks and a High-Resolution Photo USB. **\$1775.00**

Option 2 - (Gold) - same as Option 1 with the inclusion of your Engagement Session and High-Resolution Photo USB. **\$2175.00**

Option 3 - (Platinum) - Includes Options 1 & 2 with a Wedding Day Video Package - complete coverage of your Wedding Ceremony and Reception. Provides three HD and Blu-ray discs upon completion. (additional add-ons are available). **\$3975.00**

Option 4 - (Diamond) - Includes Options 1 & 2 and a Custom designed Coffee Table type Wedding Album, (starting at 20 pages, additional album types and sizes are available as well). **\$3175.00**

Option 5 - (Ruby) - Includes Option 2 with the additional of an Open-Air Photobooth for us to 3 hours with a personalized backdrop for all your fun images, which will also be included on a USB, (other types of Photobooths and output are available). **\$3125.00**

Option 6 - (Sapphire) - Includes all the unique options from above - Full Day coverage as detailed in Option 1, Engagement Session (Option 2), Video Package (Option 3), Custom Wedding Album (Option 4) and Photobooth (Option 5). **\$5975.00**

Option 7 (Ala Carte) - Full Day Coverage, starting approximately 90 minutes prior to your Wedding Ceremony until nights end. If doing a 1st look, we will design a reverse timeline that will allow you ample time and images prior to your Ceremony. All options include webhosting for 60 days, two Facebook Sneak Peeks. **\$1275.00**
