### **Custom Fit Velour Mink Lash Upgrade - \$40.00**

100% natural mink hair is free from any chemical processing or dyes. Velour mink is collected from free-range zoos and recycled during the shedding season, and is then sterilized to ensure it is completely safe for use. While other lashes can feel heavy on the eyelid, Velour Mink Lashes are super lightweight, yet offer the lush, fullness that you want, without the plastic and un-natural look often found with synthetic lashes. They can be worn up to 25 times when cared for properly, and their shape and form won't ever change. We will determine style and custom fit them on our preview day but they will not be applied during the preview for the sake of cost. However, if desired, you will have traditional false lashes applied for a completed look.

### **Full Size Luxury Lip Color of your choice - \$25.00**

The brand and color of your choice to be determined during your preview. Brands include (but not limited too) MAC, NARS, Bobbi Brown, OCC, and more. You will receive a brand new, full-sized lipstick on the day of your wedding.
