Thanks for thinking of Queen City Cupcakes to help make your special day a little sweeter!! Cupcakes at weddings are very popular for several reasons:

- They can be decorated/displayed in number of fun ways to represent your theme
- You can choose a variety of flavors
- Often more economical than a traditional wedding cake
- They are delicious!

Below are some common questions & answers. For even more information, you can visit our wedding website at <https://www.qccupcakes.com/weddings>

Pricing:

We are proud to say that unlike other cake shops, we do not increase our pricing for weddings! Here is an “a la carte” list of our pricing to help you pick and choose the services you need to create a wedding package that works best for your budget:

- ❖ Cupcakes
 - Standard size (size you would find in most grocery stores): \$33.00 per dozen (size most often ordered for weddings & the size we recommend for large events)
- ❖ Delivery. Starts at \$1.25 per mile roundtrip from our shop to your venue (limited to within 60 miles of our shop) + additional fee based on average travel time. Minimum event delivery charge **\$25.00**. Please provide your venue address for a delivery quote. ***Minimum size order for cupcakes being delivered outside of Manchester is 6 dozen. Smaller cupcake orders will need to be picked up in our shop.
- ❖ Set up of cupcakes for display at venue \$60.00
- ❖ Tower rental \$50.00 for 5 days + \$100.00 damage deposit (deposit is refundable if the tower is returned on time & undamaged)
- ❖ Sunday Fee - Although our shop is not open on Sundays we do accept Sunday weddings pickups / deliveries and/or set ups based on availability. Please note that weddings serviced on Sundays will be subject to an additional \$75.00 regardless of pick up or delivery.

What flavors can I choose from for my wedding?

You can choose from any of the flavors you see on our website. Couples can choose one flavor per two dozen cupcakes being ordered up to 6 flavors max. Although you can choose any flavor you would like, if you choose a cream cheese based frosting, you will need to make sure you have refrigeration available at the venue as we use real cream cheese.

Tasting:

Since we are a retail storefront, our tastings are handled a bit differently. Feel free to visit our shop anytime and purchase cupcakes to try our product (we are open Tues-Friday from 10:30-3:30 and Saturdays from 10:30-3). Since we often sell out & close early, we highly recommend visiting our website and checking the weekly menu to see which ones you want to try on any specific day. Once you decide which day, give us a call to order and we can hold them aside for you. After you have booked with us by completing a “save-the-date” deposit (see below), you will receive a gift card for four free full size cupcakes so you can choose specific flavors you are considering for your wedding.

Availability:

As we are a small bakery, we limit the number of weddings & deliveries we book per weekend. In order to confirm that your wedding is added to our calendar, we recommend completing a “save-the-date” deposit. This is a \$150.00 non-refundable deposit that is applied towards your final bill ONLY for the date on the contract. Date changes (unless due to a government mandated Covid shutdown) will result in a loss of deposit. If you have more questions, want to book a “save the date” deposit or just want to chat about your vision, please let me know and we can arrange a time to chat further.
