## STEP 1: THE CONSULT

- Depending on what is easiest for you, we can FaceTime, Zoom, have a good-ole fashioned phone call - it's totally up to you! We will cover a lot of great information in our chat + you'll get to learn a little more about the people who are going to be with you ALL DAY on one of the most amazing days of your lives. It's important we vibe with one another, for sure! Click [here](#) to schedule a consult--If the dates/times available don't work for you, please let me know and we can find another time!
- Once you sign up for a consult, we'll send a fun little questionnaire your way to help us get to know you better prior to the consult! It'll ask for a bunch of details about your wedding + also a few extra questions, just for fun!

## STEP 2: THE PROPOSAL

- So it's obviously not quite as special as the proposal that put your ring on your finger, but it's still an exciting one! After our consult, we'll send a custom proposal to you within 24 hours. It'll outline everything we discussed, and also give you 3 different pricing options. Each of our couples spends about \$2,600-\$3,400 depending on what they're looking for, but each couple + their day is different!

## STEP 3: DECISION TIME!

We'll hold your wedding date for one week after we send you the proposal, then it will be up for grabs to other inquiring couples!
