Weddings at Gateway Canyons Resort Price Sheet

Gateway Canyons Resort offers six very different and unique venues both indoor and outdoor that can be utilized for the ceremony, reception or both.

We do try to book only one wedding per day so that venue can be considered yours for the entirety of the day should you need to decorate or add any additional items not already provided. We do allow for morning, afternoon or evening ceremonies or receptions, all events must end by 11:30pm.

Our wedding site fee is based on the number of guests at your wedding and is inclusive of both the ceremony and reception space. You can choose the same venue or two different venues depending on the size of your group and your set-up needs.
