

Hello there! I'm Jonathan, and I love what I GET to do!

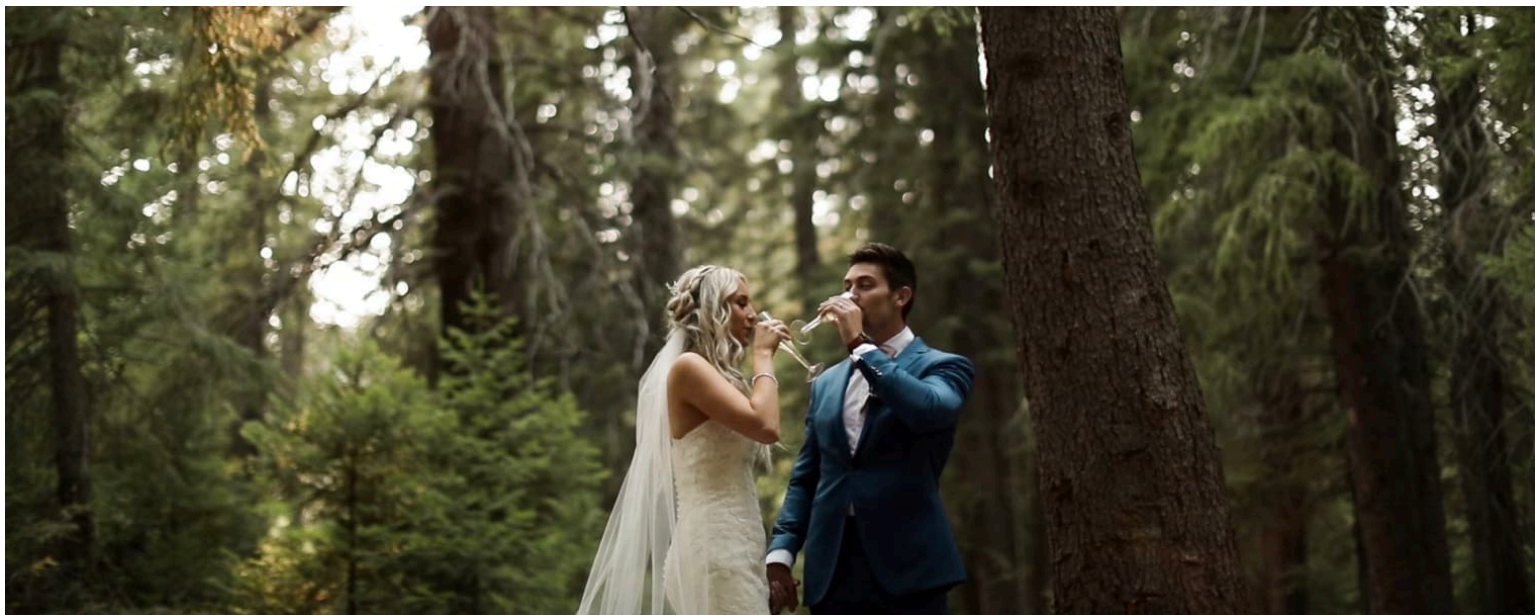

Your wedding is the most important day of your life, and I do not take that lightly. Wedding films are unique to every individual bride, so I work hard to make sure each one receives the proper care and attention it deserves.

Your wedding will be beautiful, and my goal is to make your wedding film even better.

Below you will find my Base Package and Add On's. If what is covered in the Base Package suits your needs, then you are good to go! If you desire to have additional services or products for your Wedding Film, you can go ahead and select which Add On's you are most interested in.

If you have any questions or concerns, feel free to reach out to me anytime!

Let's make this happen!
