To make sure we are a perfect fit before you book

Complimentary One hour Wedding Coaching Session

I'm super passionate about growth, that's why I completed a 2 year intensive Life Coach Training program in 2017. This session is all about what you need, I'm here to listen to you powerfully, because I know you actually have the answers you need. You can use this session to just vent about your wedding planning, to get dreamy dreamy about your wedding, and / or do some creative brainstorming and problem solving together.

Photo Timeline Consultation plus a Shot list.

To ensure everything that matters to you is Covered!

Photography with Elly

*You are hiring me as your lead and I will be there. We will get to know each other very well during your engagement, so when I show up on your wedding day, you'll feel like a friend is with you all day. I want you to be 100% comfortable with me and trust me to capture your day the way you want, so you can focus on being present and enjoying it!
With over 15 years of experience of photographing over 500 weddings, I got you!*
