Congratulations on your engagement and thank you for considering me to capture your wedding day!

My passion is photography. I am happiest behind the camera, documenting moments that would otherwise pass by and capturing authentic and emotional moments of couples in love. I've loved capturing photos my whole life and want to journal the exciting times of life for you. Along with my passion for photography, I cherish relationships I have and love making new ones.

When you book me as your photographer, you will not only get beautiful photos, but a new best friend. I enjoy becoming part of your family and your bridal party and getting to know you so I can create memories you will look at for the rest of your life. My style is about capturing the spirit of the moment in a way that is timeless, natural and authentic.

Let's celebrate together!

xoxo, Emma

BOUDOIR SESSION: \$800

Boudoir can be scheduled for day of the wedding or before.

REHEARSAL DINNER COVERAGE:

STARTING AT \$800

Rehearsal Dinner coverage includes 1.5 hours of photography and raw footage of speeches.

RAW FOOTAGE (VIDEO ONLY): \$450

Expect your unedited footage to be somewhat comparable to a home video. Due to it being the unedited original form, certain parts will be shaken and out of focus. Every clip of your day will be delivered via a mailed hard drive or digital download.

SECOND SHOOTER: \$150/hr

As much as I'd love to be, it's impossible for me to film from two angles at one time. Hiring a second shooter is essential if you want multiple angles of the same scene such as first look, walking down the aisle, speeches, first dances, sendoff, etc.

FAQ'S

HOW DO YOU DESCRIBE YOUR STYLE?

Timeless, Natural, Authentic

I aim to create beautiful images that will never go out of style. I want you to love your photos forever!

My poses are simple and natural and my editing style is classy and organic.

HOW LONG HAVE YOU BEEN A WEDDING PHOTOGRAPHER/VIDEOGRAPHER?

I have been a wedding photographer for 6 years. I

have photographed tons of weddings, and hundreds of portrait sessions. I love photography so much. I took up videography more recently; I have been doing it for 2 years now.

WILL I BE ABLE TO PRINT AND SHARE THE IMAGES ONLINE?

Yes you can make prints from your high resolution images on your own. You can also share the images online, please tag or credit [@emmamontgomeryphoto](#)

CAN WE SEE A FULL GALLERY FROM A PAST WEDDING?

Of course! This is a great way for you to see my work on a full wedding. Please just keep in mind that each wedding is different.

DO YOU TRAVEL / WHAT ARE YOUR TRAVEL FEES?

I love to shoot outside of my normal locations any chance I get! I am based out of New York City. If your event is more than 15 miles outside Manhattan, a travel fee will be applied and due with deposit. This is not a flat fee and will be determined upon personalized needs and accommodation to help make your day captured beautifully.

WHAT IS YOUR TURNAROUND TIME?

Approximately 6 to 8 weeks is standard for me. Inspiration comes in waves and so does a busy wedding season. The images you'll have to remember your wedding day is not something I want to rush through. Each detail and step of the process is important to me. Don't worry- it will be worth the wait!

LET'S WORK TOGETHER!

Official booking is made through a \$2500 NON-REFUNDABLE retainer fee, paid travel fees (if applicable), and a signed contract.

I will email you the contract along with a questionnaire to learn more about your day.

I will invoice the deposit and travel fee through either Venmo or Pay-pal.
